

5.3 Globale Liste Demokratischer Schulen

Die vorliegende Liste ist eine Zusammenstellung aller Schulen die ich anhand von oberflächlicher Internetrecherche und im Rahmen meiner Literaturrecherche finden konnte. Die Schulen bei denen ich oder langjährige EUDEC Mitglieder sicher sind, dass sie die EUDEC Kriterien für eine Demokratische Schule erfüllen, sind grau markiert. Die anderen Schulen sind laut diversen Autoren demokratisch. Ob „demokratisch“ in deren Sinne genau so streng gesehen wird, wie von der EUDEC halte ich für unwahrscheinlich. Für die Niederlande, Deutschland und Frankreich habe ich nur Schulen aufgenommen, die definitiv die EUDEC Kriterien erfüllen, da EUDEC-Council Mitglied Peter Hartkamp und EUDEC France Koordinator Pierre-André Balestrieri mir versichert haben, dass die niederländische bzw. französische Liste nur Demokratische Schulen im Sinne der EUDEC umfasst und alle Demokratische Schulen des jeweiligen Landes beinhaltet. Den gleichen Anspruch stelle ich an die Liste der deutschen Schulen durch meine eigene Recherche. Die Ländernamen sind Englisch geschrieben um möglichst große Verbreitung zu finden.
